The Chief Secretary for Administration will be the Guest of Honour at the Hong Kong Association's Membership Lunch on 28th September

Mr Cheung has been Chief Secretary for Administration since January 2017.

He joined the Hong Kong Government as an Information Officer in July 1972. He transferred to the Administrative Service in September 1979 and was promoted to Administrative Officer Staff Grade A1 in September 2004. He had served in various policy bureaux and departments, including the former Finance Branch, the Home Affairs Department, the former City and New Territories Administration, the former Government House, the former Industry Department, the former Trade Department, the Financial Secretary's Office, the Judiciary and the Central Policy Unit. He became Commissioner for Labour in January 1999, the Director of Education in June 2000 and Permanent Secretary for Economic Development and Labour in July 2002. He was Secretary for Labour and Welfare from July 2007 to January 2017.

Speaking to the Hong Kong Association on this visit to London, as Chief Secretary for Administration, Mr Cheung will share his thoughts on how Hong Kong can position itself in the face of growing regional challenges and fast changing geopolitical dynamics in the years ahead. What will Hong Kong need to do to maintain its competitive edge and vibrancy as an international financial and business metropolis; a transport and logistics hub; an innovation and technology node; as well as being a tourism and cultural centre? He will speak for 10-15 minutes and there will be the opportunity to ask questions.

The all-in cost of this event will be £85 per head for members; this will include the pre-lunch reception and a 2 course lunch with wine. No tickets will be issued. Dress will be lounge suits.

*(To book a place for this event, please complete the booking slip and return it with your cheque, payable to "The Hong Kong Association", to the office address. Member companies are particularly encouraged to bring tables of up to 10. Any staff of member companies can attend at the members rate)*
