Join the Hong Kong Society

The aim of the Hong Kong Society is to bring together groups or individuals with an interest in Hong Kong - be it social, cultural, historical or professional, the Society strives to be relevant to its members. A not-for-profit, self-funded organisation, the Society organises for members and their guests a wide range of events, including themed lunches, dinners, receptions, talks, gallery visits, cultural and sporting events, business forums, mentoring and networking opportunities. These are either free to members, discounted or charged at cost price. Many of these events take place in London but we also have regional activities in the UK.

Society members are drawn from all walks of life, most of whom have lived and worked in Hong Kong and retain an on-going interest in its welfare and prosperity. From the student and/or young Hong Kong professional living in London, to the expat who may have spent a few years or a lifetime working there – and everyone in between – all are welcome.

The Baroness Dunn is Patron and Nigel Johnson-Hill is the Chairman.

The current membership stands at about 700. The subscription is currently only £45 per year and this provides for husbands, wives and children up to the age of 25. The annual subscription for members over 60 is £30 and for members under 30 years of age is £25.

Benefits of the membership include:

- An active and interesting programme of Society events
- Twice yearly newsletter about what is happening in Hong Kong
- Special discounts and offers from company and individual members (hotels, restaurants etc)
- The ability to advertise at a discount, the services and goods of members to other members of the society at a discount.
- Links for job finding in HK.
- Opportunities to keep in touch with others with similar interests

The Society organises an active events programme for members every year including:

- Annual Chinese New Year Dinner
- Annual dinner in London with well-known speakers
- Visits, lectures, films, cultural events and gallery talks
- An extensive Younger Members programme
